

Call for Papers

Sustainable Human Development in Political Economy

**December 11-12, 2010, in Kyoto University, Japan
Hosted by Graduate School of Economics of Kyoto University
and Institute for Fundamental Political Economy**

In 2008 and 2009, “Japan-China Conferences on Human-Development Economics” were held in Nanjing China by Nanjing Normal University and Institute for Fundamental Political Economy. It is because both of these institutes are the centers of research of this field in each country, and these institutes are continuing its academic exchange.

To promote this exchange much more, we have planned the third Japan-China conference on human-development economics on December 11-12, 2010 in Kyoto, Japan. It will be hosted by Graduate School of Economics of Kyoto University and Institute of Fundamental Political Economy, and will discuss “*Sustainable Human Development in Political Economy*”.

■ Topics of this Conference

We expect to discuss the following topics:

1. Theory & Ideology of Sustainable Human-Development
2. Sustainable Human-Development in China
3. Sustainable Human-Development in the Third World
4. Sustainable Human-Development in the Advanced Countries
5. Sustainable Social/Political/Cultural Development
6. Sustainable Gender Development
7. Equality and Basic Income for Sustainable Human-Development
8. Education for Sustainable Human-Development
9. Environment for Sustainable Human-Development

10. New Technologies for Sustainable Human-Development

11. Cooperation and Voluntary Society

■ Schedule

1. Registration on December 10, 2010.
