<b>[Overview and purpose of the course]</b>					
<p>This course is aimed at MA students who are either native or near-native English speakers. The course assumes students are equipped with knowledge of the main rules and methods for effective written academic communication in English, and so it focuses on further developing these skills further and familiarizing students with the process of preparing manuscripts for publication in academic journals. The first part of the course is mainly lecture based, but throughout students are expected to work on a draft paper and presentation.</p>					
<b>[Course objectives]</b>					
<p>Familiarizing students with the publication process and developing their skills in communicating their research in writing and orally so that they can aim at publishing their work and give presentations at international conferences in English.</p>
