【国際会議】

- Just ETS? How to make carbon markets truly sustainable! International ONLINE Symposium 2020 on Education and Research in Global Environmental Studies in Asia. Kyoto University, Japan (online). December 1
- Healing the Achilles Heel – Design Lessons for Transport Fuel ETS from California and Germany. 21st Global Conference on Environmental Taxation (GCET), Vermont Law School, South Royalton, USA/Aarhus University, Denmark/Macquarie University, Sydney, Australia (online). September 25
- Healing climate policy’s Achilles Heel – Can transport fuels cap-and-trade be the cure? 24th REFORM Group Meeting, Berlin Energy Consulting / Technical University Munich, Raitenhaslach, Germany (online). August 26
- Rudolph Sven, And justice for all ... carbon markets – Design requirements and an evaluation of implemented schemes across the globe. 7th Conference of the Australia New Zealand Society for Ecological Economics, Royal Melbourne Institute of Technology (RMIT) University, Melbourne, Australia, Nov. 26, 2019
- Rudolph Sven, Moral suasion for climate mitigation and adaptation – The case of Japan. 20th Global Conference on Environmental Taxation (GCET) – Economic Policies for

Low-Carbon Development, Cyprus University of Technology, Limassol, Cyprus, Sep. 26, 2019

- Rudolph Sven “Lessons from (not) linking emissions trading schemes – a comparative analysis of the Tokyo – Saitama and New Zealand – Australia cases” 20th Global Conference on Environmental Taxation (GCET) – Economic Policies for Low-Carbon Development, Cyprus University of Technology, Limassol, Cyprus, Sep. 27, 2019
- Rudolph Sven, (with Tamara Schneider) “How (the) arts support sustainable climate policy – Lessons from the artistic response to the 3/11 triple catastrophe in Japan” 13th Conference of the European Society for Ecological Economics (ESEE), University of Turku, Finland, Jun. 19, 2019
- Rudolph Sven, (with Tamara Schneider) “Justice in carbon market design – Insights from theory and worldwide experiences” 13th Conference of the European Society for Ecological Economics (ESEE), University of Turku, Finland, Jun. 19, 2019

【講演】

- Healing the Achilles Heel! How California and Germany Compare in Treating Transport Fuels in Cap-and-Trade. Renewable Energy Economics Seminar, Kyoto university, Japan (online). December 21, 2020
- Just ETS? How to make carbon markets truly sustainable. Kyoto University International Symposium 2020 on Education & Research in Global Environmental Studies in Asia, December 1
Healing the Achilles Heel – Or: How to include transport fuels in cap-and-trade. Hakubi Seminar, Kyoto University, Japan (online). September 15, 2020
- How to Give Academic Presentations (Without Being too Boring). Workshop, University of Newcastle (UON) Law School, Newcastle, Australia. March 5, 2020
- Sustainable Carbon Pricing for a Global Blue Deal – A Vision for the Future. J.E. Cairnes School of Business and Economics, National University of Ireland (NUI) Galway. February 5, 2020
- A Week of Knowledge, Fun, and New Friends – Experiences from the International Mobility Program “Cultural Identities Forming Environmental Regulations in Japan” organized by University of Newcastle Law School. Hakubi Center Seminar, Kyoto University. January 16, 2020
- Friend of Foe? – Market-based Climate Policy in Japan. International Mobility Program “Cultural Identities Forming Environmental Regulations in Japan” organized by University of Newcastle Law School, Australia, Kyoto University. January 16, 2020

- Rudolph Sven, “Come with me if you want to live!” Or: The California Cap-and-Trade Program as a Model for Domestic Carbon Markets and Linking? Research Seminar Renewable Energy Economics Course, Kyoto University, Japan, Dec. 23, 2019
- Rudolph Sven “Friend or Foe? Market-based Climate Policy in Japan – A History of Trial-and-Error” Seminar Development Economics, Ritsumeikan University, Kyoto, Japan, Dec. 5, 2019
- Rudolph Sven, with Elena Aydos, “Climate Policy Made ‘Down Under’ – The Political Economy of a New Carbon Market in Australia – An Update” Research Seminar Prof. Toru Morotomi, Graduate School of Global Environmental Studies, Kyoto University, Japan, Nov. 19, 2019
- Rudolph Sven “A Cool Fairy Tale? Recent Developments in German Energy and Climate Policy” Environmental Economics Seminar, Musashino University, Tokyo, Japan, Oct. 26, 2019
- Rudolph Sven, And justice for all … Or: How to design truly sustainable carbon markets. Energy and Climate Policy Workshop, Kyoto Sangyo University (hosted by RIEEM, Waseda Uni-versity), Japan, Oct. 11, 2019
- Rudolph Sven “How to Build Truly Sustainable Carbon Markets? Insights from Theory and World-wide Experiences” Graduate School of Advanced Integrated Studies in Human Survivability (GSAIS), Kyoto University, Kyoto, Japan, Jun. 5, 2019
- Rudolph Sven “Justice in Cap-and-Trade Design – Insights from Theory and Worldwide Experiences” Graduate School of Global Environmental Studies, Kyoto University, Kyoto, Japan, May 9, 2019
