

Program BEAT (4)

17 September 2013

Graduate School of Economics, Kyoto University

The aim of this meeting is to discuss the borders of the research, to create a homogenous set of definitions to create value added in coherent research projects. We will discuss both theoretical issues and the first findings of case-studies. We also will pay attention to a future research agenda. Presentations should be short to give ample room for discussion.

Morning session:

Chair: Ray Stokes

9.00-10.00: Gerarda Westerhuis: problems and possibilities in comparing sectors

10.00-11.00: Bram Bouwens: BEAT issues and its solutions

11.00-11.15: coffee break

11.15-12.15: Yuki Nakijima: internationalization of Japanese electronics industry into Asia

12.15-13.30: lunch

Afternoon session:

Chair Keetie Sluyterman

13.30-14.30: Tomoko Hashino: the long survival process of Japanese textile industry

14.30-15.30: Joost Dankers: research proposal; the Dutch perspective

15.30-15.45: coffee break

15.45-16.45: Ray Stokes: BEAT perspective and projects

16.45-17.15: Bram Bouwens: concluding remarks; plenary discussion
