In EA Programme, the Academic Calender is from October to September; Autumn Semester starts in October and Spring Semester starts in April. In most of other Graduate Schools (including the General Programme of the Graduate School of Economics), the Academic Calender is from April to March; the first semester starts in April and the second semester starts in October. Please note the difference for course registration of other Programme and Graduate Schools.

\*1 Advanced seminars offered by the Graduate School of Economics

\*2 Introductory courses offered by the Graduate School of Economics

\*3 Courses offered in English by the Graduate School of Management

\*4 Courses that are not to be registered during the Course Registration Period. (Contact the instructor for detailed information)

\*5 "Field Research in Japan A/B", offered as a 1-credit subject in 2019, became "On-site Research Training A/B", a 2-credit subject from 2020.

\*6 Former title "Development Economics 1"

\*7 Former title "Development Economics 2"

\*8 Former title "Contemporary Chinese Economy Studies"

\*9 Former title "Multiple Research Perspectives on Management"

\*10 Former title "Governance, Risk Management & Compliance"

\*11 Students must take either the spring or Autumn semester courses.
