<p>6. Research Proposal</p>	<p>Write in English using a word processing software, convert it into a PDF file, and upload the PDF to the Online Application System. This document must include two sections:</p> <p>(1) Reason for Application and Plan after Completion: The total number of pages must be two A4 pages. (2) Research Proposal: Upload the PDF on the Online Application System. The total number of pages must be five A4 pages (around 2,000 - 2,500 words long excluding references). There is no specific format requirement, but it must be well structured according to a standard academic style (for example, it should include the background of research, literature review, research objectives, research questions, methodology, expected results and implications, and a reference list).</p>
-----------------------------	---

<p>7. Research paper related to your research proposal, such as master's thesis or an equivalent paper</p>	<p>Research papers in any field of study (preferably those in the social sciences and humanities) are acceptable. There is no limit on the total number of pages. If the paper is written in a language other than English, a translated summary and table of contents in English must be attached. If applicants cannot complete their graduation thesis by the application deadline, they may submit an essay as a substitute.</p> <p>In principle, a co-authored paper is not appropriate. However, if the co-authored paper is the only one, the applicant may submit it while fulfilling the following two requirements.</p> <p>i) A clear indication of the parts where the applicant contributed to the co-authored paper is given.</p> <p>ii) A letter from the supervisor or co-author is attached which certifies the contribution of the applicants.</p>
<p>8. TOEFL or IELTS score</p>	<ul style="list-style-type: none"> • Applicants whose first language is not English are required to submit an official notice of a TOEFL or IELTS score taken on and after April 1st, 2023. • TOEFL or IELTS scores are not required for those who have completed their <u>bachelor's degree</u> in one of the following countries: Australia, Ireland, Canada (excluding universities in Quebec), New Zealand, Singapore, the United Kingdom, and the United States of America. However, applicants are still strongly recommended to submit TOEFL or IELTS scores. Note that this exception does not usually apply to the country in which you completed your <u>master's degree</u> due to the shorter duration of master's programs. • Applicants who have completed their bachelor's degree in one of the countries mentioned above having transferred from universities in other countries, for example in the case of double/joint degree programs, also need to submit TOEFL or IELTS scores. • There may be some exceptional cases where we waive the requirement to submit a TOEFL or IELTS score. Contact the Student Affairs Office for more details. • TOEFL ITP (Institutional Testing Program) is not accepted • A Test Taker Report is accepted at this stage. However, applicants must eventually submit the official score report. Those who do not have an official score report may request that test administering organizations send their scores directly to Kyoto University. For sending TOEFL score from ETS, the institution code of Kyoto University is 9501. • Arrange the sending of the Score Report so that it is possible to confirm the details by the deadline (including online). Inquiries regarding the receipt of the Score Report are not acceptable.

【Notes】

1. In cases where the name that appears on certification documents and the current name of the

applicant are different (i.e. as a result of a changed family name because of marriage, etc.), submit a document written by the applicant indicating the name change and when it was made.
