Conference / Workshop information	Name	
	Date(s)	
	Location	
	Organizer	
	Website	
Presentation details	Title of the presentation	
	Presentation date	
	Language(s) used	
	Co-author(s) (if applicable)	

- Course registration is limited to students who are going to present a paper (at least once) and participate in an international academic conference or international graduate workshop, held in Japan or abroad. In the case of international students, their presentation and participation in a domestic academic conference or graduate workshop held in Japan will be counted, however, in such cases two or more participations are required.
- Students are asked to submit the "Information form" to instructor in advance of conference/workshop.
- Students are also asked to submit their presentation slides and completion report to the supervisors as well as the instructors.
